I'm with Suddah this week and his request has nothing do do with the data team TDD. He is just looking at this as personnel development.

John

DATA team TDD?
Thoughts?

Subject: Response Manager

Hi Brad,

I have heard a lot about Response Manager and would really like to try it out. From what I understand you are the point man for Response Manager. Would you be able to help me get a copy of Response Manager and any associated user guides?

Thanks,

Suddha Graves
